The emphasis will be on individual skill development in all parts of the game including throwing, fielding, hitting and baserunning. Also, campers will be given the opportunity to incorporate these skills in game-like situations.

To learn the basic mechanics of a fastball and change-up so that you can have a strong foundation. Catchers will be taught by an experienced staff and will include blocking, throwing, framing, calling pitches and overall position work. Catchers must bring their own gear to the camp.
